OPEN CALL – ASEF YOUNG LEADERS SUMMIT 2015

WHY #ASEFYLS MATTERS

The [ASEF Young Leaders Summit](#) (#ASEFYLS) is for young thinkers and doers to question and explore how the entrepreneurial vein can trigger and nourish job-creation, mobility and social cohesion in Asia and Europe.

ASEFYLS is also an experiential space where fresh minds and influential leaders from both regions meet. Constructive dialogue, hands-on skills development and a Call for Action addressed to the ASEM Foreign Ministers are the core elements of the [Programme](#).

ASEFYLS emerged from the request by young citizens and ASEM Head of States and Governments for a closer interaction and exchange of perspectives on pressing societal issues in both regions. Now is your moment to shape this connection!
