

## ASEF and IOM hold Inter-regional Roundtable Discussion on Addressing Health Vulnerabilities of Migrants in Large Migration Flows

The Inter-regional Roundtable Discussion on Addressing Health Vulnerabilities of Migrants in Large Migration Flows, co-organised by the Asia-Europe Foundation (ASEF) and the International Organization for Migration (IOM) on 25 April 2016 in Geneva, Switzerland, marked the first expert-level Roundtable aimed at examining unprecedented migrant health issues emerging across Asia and Europe. The discussion focused on a comparative analysis of the public health challenges faced in transit and receiving nations in the Mediterranean Sea and the Andaman Sea.
