Overview

What is the #ASEF Capacity Trainings series?

The ASEF Capacity Trainings 2017 series offers high-calibre trainings on leadership skills and employment management. The trainings are directly linked to the 2nd ASEF Young Leaders Summit (ASEFYLS2) on youth employment and policy matters in September 2017 in Seoul, Korea.

Two trainings will be held in Asia and Europe, with the first one taking place in Thessaloniki, Greece, and the second one in Vientiane, Lao PDR. Each training is designed in a crash-course workshop format and provides meaningful and practical learning experiences for character and skills development with a focus on public speaking and negotiation as well as digital leadership and influence.

The ASEF Capacity Trainings aim to:

- Invite game-leading facilitators to bring up-to-date and action-focused trainings
- Connect local youth leaders with the objective to trigger collaborations and further engagements with Asia-Europe education projects
- Extend the opportunity to ASEFYLS2 applicants to get involved in ASEF’s activities through locally organised workshops

The ASEF Capacity Training in Thessaloniki, Greece, will be organised on 4-5 July 2017. In partnership with the Erasmus Students Network Greece (ESN Greece) and Global Changemakers, ASEF will invite about 40 local students, entrepreneurs and young professionals. Take a glimpse at the previous trainings in Phnom Penh, Cambodia (2015), Islamabad, Pakistan (2016), Dhaka, Bangladesh (2016), and Manila, the Philippines (2016).
