ASEF Young Leaders Summit 2015 on Entrepreneurship and Youth Employment

Over 120 young leaders from 51 ASEM countries will develop a Call for Action to present at the 12th ASEM Foreign Ministers’ Meeting (ASEM FMM12) on 5-6 November 2015 in Luxembourg.

To contribute a youth perspective to the upcoming ASEM FMM12, the Asia-Europe Foundation (ASEF) will organise the ASEF Young Leaders Summit (ASEFYLS) 2015 on Entrepreneurship and Youth Employment on 1-5 November 2015. The Summit will bring together about 120 young entrepreneurs, representatives from start-ups, academia, international organisations, NGOs, as well as young public servants and students involved in the field, from 51 Asian and European countries. The key outcome of the conference will be a joint Call for Action on Entrepreneurship and Youth Employment, which 4 youth representatives will officially present during the Opening Ceremony of the ASEM FMM12.

One core objective of ASEFYLS is to develop a closer connection between the ASEMYouth and the ASEM decision makers to jointly tackle challenges of rising youth unemployment in both regions. Keynote speakers include H E Federica MOGHERINI, High Representative of the European Union for Foreign Affairs and Security Policy and Vice-President of the European Commission; H E Jean ASSELBORN, Minister of Foreign and European Affairs and Minister of Immigration and Asylum of Luxembourg; H E Lubomír ZAORÁLEK, Minister of Foreign Affairs of the Czech Republic; and Mr Claude MEISCH, Minister of Education, Children and Youth and for Higher Education and Research in Luxembourg.

Hosted by the University of Luxembourg and then the European Investment Bank, the Summit offers dialogue sessions with key ASEM policy-makers, panel discussions with renowned business and start-up representatives, including Mr Kazuo TSUKUDA, Senior Executive Advisor, Mitsubishi Heavy Industries Ltd., and Mr Peter VESTERBACKA, Mighty-Eagle, Rovio Entertainment, and Founder of the Angry Birds franchise; skills trainings and workshops as well as a study visit to ArcelorMittal’s steel production site Differdange.

To facilitate leadership exchange, the ASEF Young Leaders Summit will conclude with a joint reception hosted by the European Investment Bank for the ASEF Foreign Ministers and Heads of Delegations, ASEM member countries delegations as well as the ASEFYLS youth participants.

About the Organiser and Hosts

The Asia-Europe Foundation (ASEF) promotes understanding, strengthens relationships and facilitates cooperation among the people, institutions and organisations of Asia and Europe. ASEF enhances dialogue, enables exchanges and encourages collaboration across the thematic areas of culture, economy, education, governance, public health and sustainable development.

ASEF is an intergovernmental not-for-profit organisation located in Singapore. Founded in 1997, it is the only institution of the Asia-Europe Meeting (ASEM).

Together with about 750 partner organisations ASEF has run more than 700 projects, mainly conferences, seminars and workshops. Over 20,000 Asians and Europeans have actively participated in its activities and it has reached much wider audiences through its networks, web-ports, publications, exhibitions and lectures.

The European Investment Bank (EIB) is the European Union’s (EU) bank and is the only bank owned by and representing the interests of the European Union Member States. EIB works closely with other EU institutions to implement EU policy. As the largest multilateral borrower and lender by volume, EIB provides finance and expertise for sound and sustainable investment projects which contribute to furthering EU policy objectives. More than 90% of EIB activity is focused on Europe but it also supports the EU’s external and development policies. Around 2000 staff build on more than 50 years’ experience and expertise in project financing. Headquartered in Luxembourg, EIB has a network of local and regional offices in Europe and beyond. The EIB Group consists of the European Investment Bank and the European Investment Fund, – the specialist arm providing SME risk finance. The EIB is the majority EIF shareholder with the remaining equity held by the European Union (represented by the European Commission) and other European private and public bodies.

The University of Luxembourg is a multilingual European research university. It is a modern institution with a personal atmosphere, close to European institutions, innovative companies and the financial place. It was founded in 2003 as the first and only public university of the Grand-Duchy of Luxembourg. With nearly 6,300 students and about 1500 employees from all over the globe, the University offers a unique mix of international excellence and national relevance, delivering knowledge for society and businesses. The mandatory semester abroad for Bachelor’s students reflects the importance attached to mobility. Exchange agreements and research cooperations exist with 78 universities around the world. Our priorities for research are computational sciences, systems biomedicine, law and European law, finance and educational sciences. The research teams and about 570 PhD students work in three faculties and two interdisciplinary centres.

ArcelorMittal is the world’s leading steel and mining company, with a presence in 60 countries and an industrial footprint in 19 countries. Guided by a philosophy to produce safe, sustainable steel, we are the leading supplier of quality steel in the major global steel markets including automotive, construction, household appliances and packaging, with world-class research and development and outstanding distribution networks. Through our core values of sustainability, quality and leadership, we operate responsibly with respect to the health, safety and wellbeing of our employees, contractors and the communities in which we operate. For us, steel is the fabric of life, as it is at the heart of the modern world from railways to cars and washing machines. We are actively researching and producing steel-based technologies and solutions that make many of the products and components people use in their everyday lives more energy efficient. We are one of the world’s five largest producers of iron ore and metallurgical coal and our mining business is an essential part of our growth strategy. With a
geographically diversified portfolio of iron ore and coal assets, we are strategically positioned to serve our network of steel plants and the external global market. While our steel operations are important customers, our supply to the external market is increasing as we grow. In 2014, ArcelorMittal had revenues of US$79.3 billion and crude steel production of 93.1 million tonnes, while own iron ore production reached 63.9 million tonnes. ArcelorMittal is listed on the stock exchanges of New York (MT), Amsterdam (MT), Paris (MT), Luxembourg (MT) and on the Spanish stock exchanges of Barcelona, Bilbao, Madrid and Valencia (MTS).
