Invitation ‘Meet and Greet’ with European and Asian Rectors and Presidents

Date: Wednesday 26 September 2012
Time: 12.00 – 13.30 hours
Location: University of Groningen, Academy Building

Spiegelzaal and Bruinszaal

From 24-28 September 2012, the University of Groningen will host the 3rd Asia-Europe Meeting (ASEM) Rectors’ Conference or ARC3, in cooperation with the Asia-Europe Foundation (ASEF) and the Asean University Network (AUN). The theme of the ARC3 is ‘Universities, Businesses and You: For a Sustainable Future’. University leaders from 46 Asian and European countries will participate in this highly prestigious event (visit http://www.asef.org/ and http://www.aseminfoboard.org/ for more information).

Call for participation: ‘Meet and greet’ lunch meeting for students and university leaders

One of the conference events is a ‘Meet and Greet’ between Rectors and students, to be held on Wednesday 26 September (lunch will be provided). We are cordially inviting students from the 46 ASEF member states to sign up for this excellent network opportunity and meet university leaders from their home country to informally exchange information and discuss (student) life in the city of Groningen.

For university leaders, this is a great chance to stay in touch with their students abroad.

If you are interested to take part in the ‘Meet and Greet’ lunch meeting, please register by sending an e-mail to Marten Houkes from the International Office, m.l.houkes@rug.nl (cell phone 06-214 19 377) or to Ms. Inge Bolwijn, PA to the President, i.h.j.bolwijn@rug.nl (cell phone 06-5162 7587 or 050-363 52 85). Please bear in mind that due to the limited available spots there is a ‘first come, first served’ principle.

The deadline for registration is 20 September 2012. After you have registered, you will receive a confirmation and more detailed information. Marten and Inge will also answer any question you may have.

We would be delighted with your participation!

Prof. Dr. Sibrandes Poppema
President, University of Groningen
